

The Day in Davenport

Family Reunited.—Eight years ago Fremont Hahn left the town of Wittsburg, on the island of America in the North sea, divorced by his wife because of drink, and a disgraced man, in the little village on the seashore. Last night he returned in marriage to his former wife, in the presence of his daughters, Magda, 15, and Frieda, 12, all of whom he persuaded to cross the ocean to live with him once more. Mr. Hahn landed in the United States with \$2.00 in his pocket—today he owns four properties near the corner of Rockingham road and Sturdevant streets and runs a prosperous little cash and carry meat market.

Reduce Men Strike.—Eleven men employed by the Independent Produce company, formerly known as the Independent Brewing company, walked out on a strike Tuesday when company officials notified them of a cut in wages. Five brewery men, three engineers and three firemen left their posts. It is understood that union labor throughout the tri-cities is aiding the strikers in an effort to win their fight. Hand bills were spread over the city this morning by the strikers explaining their cause. They termed the new wage scale as "starvation wages." Officers of the concern explained yesterday that the plant operated at a loss throughout the summer and that a cut in wages was their only salvation.

Falls Through Doorway.—Catherine Driscoll, 20-year-old daughter of J. E. Driscoll, 1823 Davenport avenue, sustained painful injuries when she fell through a sidewalk doorway near the Plaza Candy company and the Earl Automobile Tire store on the south side of West Fourth street, near Brady, Tuesday evening. The iron doors, it seems, were closed so that the part which was overlapped was on the top, and when Miss Driscoll stepped on the doors they gave way. She was badly cut on the face.

Baby Falls; Dies.—Injuries received Sunday when the baby "Jumper" in which she was sitting

fell to the floor, resulted in the death of Helen Amelia Lambach, four-year-old daughter of Mr. and Mrs. Henry Lambach, 2429 Iowa street, at 3:45 o'clock Tuesday afternoon. The baby died at St. Luke's hospital where an operation had been performed in the hope of saving her life. The injuries were sustained when the spring of the jumper broke and struck the child on the head. Concussion of the brain followed and medical aid was of no avail.

Don't Want Sinner System.—Davenport's don't want the Sinner system of taxation. At least not until it has been more thoroughly investigated and its theories more carefully explained to the taxpayers. This was the concensus of opinion expressed Tuesday night at the taxpayers' meeting in the council chamber, at which about sixty persons, representing the heavy taxpayers of Davenport, were present. City Assessor Michael Kennedy and his resolution that the council inaugurate the Sinner system for establishing property values were hung on the rack along with the unwanted system.

Elks Initiate.—At the regular weekly meeting of Davenport lodge, No. 238, B. P. O. E., 60 candidates were initiated Tuesday night. The work was carried out at the lodge hall, with the officers of the Rock

Island club to assist. Many of the candidates were present from distant points. After the initiation work the evening was given over to a social session.

Death Announced.—Testimony of witnesses at the inquest held Tuesday night over the bodies of Mrs. Estelle Williams and her baby daughter, Ethel, who were asphyxiated in their rooms at 1023 I-S Brady street last Saturday night, revealed no evidence of suicidal intent, but did show that the gas hose fixture which was being used by the woman was defective. The coroner's jury returned a verdict of "accidental death" in both cases.

Die a Pauper.—Philip P. Putnam, aged 90, who more than 60 years ago platted the town of Blue Grass, died at Mercy hospital early yesterday morning after an extended illness. Mr. Putnam was at one time reputed to be a man of considerable wealth but lost his money a number of years ago and he died a pauper. His residence was at 2523 Deha avenue.

Marriage License.—Edwin Farns and Mildred Forbes, both of Davenport. Elbert M. Stump and Esther C. Lake, Davenport. LeRoy Johnston and Dorothy Margaret Conn, both of Davenport. Julius Walland, Jr., and Hattie Leona Ascraft, both of Davenport. Homer Frank Ascraft and Theresa Matilda Mandt, both of Davenport. William R. Allen, Peoria, Ill., and Ethel Eleanor Ray, Indianapolis, Ind.

Rheumatism

A Remarkable Home Treatment Given by One Who Had It.
In the Spring of 1926 I was attacked by Rheumatism. I suffered as only those who have it know, for over three years. I tried almost every remedy, but such relief as I received was only temporary. Finally, I found a treatment that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bedridden with rheumatism, some of them 70 to 80 years old, and results were the same as in my own case.
I want every sufferer from such forms of rheumatism to try this marvelous healing power. Don't send a cent; simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-sought-for means of getting rid of your rheumatism, you may send the price of it, one dollar, but understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when relief is thus offered you free? Don't delay. Write today.
